

Aurvista Gold Corporation Announces Grant of Incentive Stock Options

Montreal, Quebec: Aurvista Gold Corporation (“Aurvista” or the “Company”) (TSX-V: AVA, OTCQB: ARVSF; Frankfurt: AV2) announces the grant of a total of 1.8 million stock options to six new members of the Board of Directors who were elected at the recent August 15 Annual and Special Meeting of the Shareholders. The options have a five year term, an exercise price of \$0.30, the closing price of the Aurvista shares on the day of the grant, and vest one-quarter immediately, and one-quarter on each anniversary date of the grant.

As the current Stock Option Plan provides for a maximum of 16,740,000 options that may be granted under the Plan the Board also amended the Plan to become a Rolling Stock Option Plan that allows for the issuance of such number of options equal to 10% of the outstanding shares. The right of each holder to exercise the options and the amendment of the Stock Option Plan is subject to the approval of the TSX Venture Exchange and the approval of the shareholders of Aurvista.

Douay Gold Project and Company Profile:

Aurvista Gold Corporation is a well-funded gold exploration and development company focused on advancing one of the largest undeveloped gold projects in Quebec. The Company's district-scale 305 km² Douay Gold Project is located along a 40km segment of the Casa Berardi Deformation Zone within the prolific Abitibi Greenstone Belt in northern Quebec. The Project hosts a multi-million ounce gold deposit that remains open in several directions, with excellent infrastructure and several large scale operating mines within 150 km. The Douay Gold Project's high-grade zones have never been mined and the Project is virtually royalty-free. The Company has aggressive property-wide exploration and drilling plans, with the aim of building high-quality ounces in one of the best mining jurisdictions in the world.
