

Maple Gold Completes Corporate Transition and Begins Trading Under New Symbol

November 20, 2017 – Montreal (Quebec): Maple Gold Mines Ltd. (“Maple Gold” or the “Company”) (TSX-V: MGM, OTCQB: MGMLF; Frankfurt: M3G) is pleased to announce that effective today the Company’s common shares have commenced trading on the TSX Venture Exchange under the new trading symbol **MGM**. The Company's new website is www.maplegoldmines.com.

Maple Gold’s President and CEO, Matthew Hornor, stated: *“We have completed a major corporate transition during the last six months with significant changes to the [Management Team](#), [Board of Directors](#) and have implemented new systems and processes that will impact all areas of the Company. We established a new [Technical Committee](#) and have a largely new exploration team on-the-ground that are all committed to increasing resources, making new discoveries and building value within our district-scale 370 km² property package. We are all excited to turn the page to a new chapter and changing the Company name marks the end of the old and start of the new for all of us.”*

The Company’s trading symbol on the OTCQB has changed from ARVSF to **MGMLF** (see press release dated November 8, 2017) and from AV2 to **M3G** on the Frankfurt Exchange. The new CUSIP assigned to the Company’s common shares under its new name is 565127107.

Warrants Listed:

The TSX-Venture Exchange accepted for listing 31,034,150 common share purchase warrants (the “Warrants”) of the Company (see Aurvista press release November 17, 2017 for additional information). The Warrants will be listed for trading on the TSX-Venture Exchange under the symbol “MGM.WT” at market opening today (November 20, 2017). Each Warrant entitles its holder to purchase one common share of the Company at a price of \$0.40 at any time prior to 4:00 p.m. (Toronto time) on June 27, 2022.

About Maple Gold:

Maple Gold is a well-funded gold exploration company focused on advancing a district-scale gold project in one of the world’s premier mining jurisdictions. The Company’s 370 km² Douay Gold Project is located along the Casa Berardi Deformation Zone within the prolific Abitibi Greenstone Belt in northern Quebec, Canada. The Project has an established gold resource that remains open in multiple directions, with excellent infrastructure and several large scale operating mines within 150km. Maple Gold has a significant drill campaign planned during the 2018 winter season to expand on the known resource areas and test new discovery targets within the Company’s 55 km of strike along the Casa Berardi Deformation Zone.
